How can an antiquated recording device share the gospel? Easy, bring it to church! The 1st - 3rd grade G.A.'s are collecting audio cassettes today through the end of February. FBC, Hurst, Texas will record bible stories and scripture in the native language of the Songhai and then distribute them in Niger, North Africa. You can clean out your cabinet (or we will accept cash to purchase new ones) and the gospel can be shared. SWEET!

If you do not have a Bible, we have many donated Bibles in the library.

Stop by and see Katarina prior to Sunday School.

GA's Trip to Baptist Children's Home Praise:

My daughter and I went to the Wilco on 89 for doughnuts before the GA trip Saturday to Baptist Children's Home. My daughter had on her GA sash and yellow shirt. As we were getting ready to pull out of the parking space a man walks up to the car. I rolled down my window and he reaches in and hands me a folded \$20 bill and says that God told him to give that to us for our ministry and God Bless and walks away. He didn't ask what church we were from, any details as to what we were doing or anything! I yelled out to him what we were doing that day and that we were GA's but he kept walking off and saying God Bless You. My daughter and I were amazed and we thanked the Lord and felt like God had personally touched us! We shared this story with the GA's on the bus and told them that you never know when someone is watching you. (A little God lesson for all of us!) The story doesn't end there. When we got to Thomasville and brought our snacks in for the BCH cottage one of the girls stated they didn't have money to buy snacks. I handed the money to the house parent and shared the story of how I came to have it and told him that God wanted it passed to the girls. I felt so blessed to be a small part of this. It was an awesome God moment for my daughter and myself!!
