#### PRAYER FOR A BETTER WORLD

O God, the source of creation, ever-present in the changes of this world, be present with your people who cry to you for help. Empower us with vision and strength to enable the peoples of this earth to acquire the skills and resources necessary to a growing world. Enable those from countries with plenty to share their lives, funds, and resources with those in need. Embolden those with vision to proclaim new ways of creating communities of responsibility. Engage us in learning from one another and in valuing the unique gifts that you have given to the people of every land. Bless your people, O God, who cry to you. Amen.
