Welcome to Calvary Baptist Church

If you are a guest today at Calvary, we are so glad that you are here. Thank you for worshipping with us. A guest card is inserted in the pew pockets, please complete it and drop it in the offering plate so we will have a record of your visit. Several information centers are located throughout the building filled with information about our church, its ministries and a map of our facility. We also have a website with daily Bible readings and devotionals for adults and children: www.calvarybcmtairy.org

For those with babies and/or small children, we provide a nursery and children's church during both services.

Below is a listing of our Sunday School classes. Please take the opportunity to visit one or several of these over the next few weeks.

If you have any questions about Calvary please see one of our ushers today or contact the church office during the week (786-4778). Again, thank you for being with us today. We are glad that you are here.

Prayer for Calvary Baptist Church

96th Anniversary: May 2, 2010

Our loving God, we thank you
for the heritage of worship, work and witness into which we have entered,
and of which we are part, at Calvary Baptist Church;
for all who pioneered the church here and all who have been its ministers,
leaders and members through its story of 96 years.
and we pray now for the process of reflection and planning
for the future in which we are engaged.

Guide us by your Holy Spirit that our services of worship may be a worthy offering to you and may attract, include and inspire people of all ages;
that our inner life of prayer and our attention to scripture may be nurtured,
and that the journey of faith may not be seen as the province of a few;
that children and young people may be listened to, encouraged,
and challenged to become committed Christians;
that our church premises may convey a message of openness, be a means of Christian service, and forge effective links with community groups;
that we may be reaching out to those on the fringes of faith or outside it
and be proactive in meeting social and community needs;
that we may express solidarity with our neighboring churches and develop imaginative strategies for involvement in world mission and justice issues.

Give us the vision and clarity that we need:
show us the specific directions we should take,
give us the courage to experiment and move forwards,
enable adequate resources of money and personnel to be found
for the vision to be carried forward into action.

And may all this accord with the ways of Jesus
and the purposes of your Kingdom,
through Jesus Christ our living Lord.
Amen
