A Prayer for Independence Day

God bless America, And keep us safe and free,
Safe from "all our enemies," Wherever they may be.

For enemies are forces, That often dwell within,
Things that seem so harmless, Become a major sin.

Little acts of selfishness, Grow into lust and greed,
And make the love of power, Our idol and our creed.

For all our wealth and progress, Are as worthless as can be,
Without the faith that made us great, And kept our nation free.

And while it's hard to understand, The complexities of war,
Each one of us must realize, That we are fighting for

The principles of freedom, And the decency of man,
But all of this much be achieved, According to God's plan.

So help us as Americans, To search deep down inside,
And discover if the things we do, Are always justified.

And teach us to walk humbly, And closer in Thy ways,
And give us faith and courage, And put purpose in our days.

And make each one of us aware, That each must do his part,
For in the individual is where peace, Must have its start.

For a better world to live in, Where all are safe and free,
Must start with faith and hope, And love deep in the heart of "Me."
