*Jesus, thank you for Summer.
Thank you for light and warmth.
Thank you for the sun.
Thank you too that while we can appreciate
the gifts of nature,
we are not subject to living our lives
within the limits of cycles and seasons.
We can rise above and beyond
all natural limits by faith in you.
Today, give us that grace again,
to see you as the Creator of creation
and the One who lifts us up
to be with you forever, even now.
Amen*
