#### PRAYER: *AND THE PLACE WAS SHAKEN*

*by John Franklin*

Oh, dear reader, do you see why what you are seeking to grow in is so important? By leading other believers to pray you will engage in one of the most important practices of the Christian life. You will encourage those you lead to stay in a love relationship with God; you will create an infinitely greater likelihood that you stay on God's agenda; and you will practice the means through which God has ordained He especially works. If we are to see a spiritual awakening in this land, a reversal of the headlong rush into the moral cesspool in which we currently swim, then there must be fervent intense prayer meetings sprouting up all over this land. If your church would see the power of God in supernatural ways, if the power of God is to descend so that Christians are renewed and the lost come to under conviction of sin, then lead your people to pray. I know of no other foundation equal in importance to praying together, save repentance and the Word. May God bless you as seek to follow him more fully in this matter.

*OH, THAT YOU WOULD REND THE HEAVENS*  
*ISAIAH 64:1*
