

Our new hymnals have arrived and been placed in the pews. Thanks to Helen Watson and Billie Doyle for their record-keeping and to Caroline Kirkman and Lanny and Lindy Wood for unpacking the hymnals, applying the dedication/memorial plates, and placing them in the sanctuary.

Some of our old hymnals have been placed in the chapel so there is now a full set of hymnals there for worship. If you donated one of the old hymnals in 1992 and want to keep it, please contact Paulette Surratt as soon as possible. The church will attempt to donate many of the remaining ones to another church.

Many thanks to those who have donated the new hymnals. Listed below is a partial list of donors for whom the hymnals were placed in memory or in honor. Additional lists will be published as space permits until all dedications have been acknowledged.

## Note of Thanks

*Thank you Pastor Burgess and church members for being with our family at the Hospice Home at the time of Callie's passing. Thank you for your prayers, food, cards, and many phone calls. Your love and concern helped our family through the dark hours. Callie was my step-mother but she treated me as her own daughter.*

### "Eggs for Annie"

"**Eggs for Annie**" is a missions project sponsored by the Girls in Action (GAs) and Royal Ambassadors (RAs) of Calvary. It encourages each of us to give to the Annie Armstrong Easter Offering and pray for the North American Missionaries.

Check the "**Eggs for Annie**" display table and consider how much you will give to help our home missionaries reach the lost for Christ in North America. Each colored egg carries a pledge amount.

Give any time this month the amount you pledged using the special offering envelopes or by writing "Eggs for Annie" on a regular offering envelope.

**WEDNESDAYS...beginning April 7  
6:30 PM**

## **WEDNESDAY NIGHT SUNDAY SCHOOL**

Hear about next Sunday's lesson on Wednesday. If you won't be there on Sunday, or need another perspective, this is the class for you. Teachers rotate.

### **FEARLESS – Imagine your life without fear**

Each sunrise seems to bring fresh reasons for fear. They're talking layoffs at work, slowdowns in the economy, flare-ups in the Middle East and the plague of our day, terrorism, begins with the word "terror". This timely study follows the book by Max Lucado and will be facilitated by Lanny Wood.

### **ANGELS...Who they are and How They Help**

This study will tell you what the Bible reveals about Angels. Discussion will include their spiritual characteristics, how they help us worship and work, Satan and his fall, and angels' presence in the world today. To get the maximum benefit from the study, you may wish to purchase David Jeremiah's book by the same name or simply be active in the discussion and take notes from the points presented by Brenda Barfield. The author states that "the only sufficient aim in a study of angels--that you might draw closer to God". This, therefore, will be the ultimate goal of the study.

### **Study of the Book of REVELATION continues**

Discuss John's Revelation of Jesus Christ and try to make sense of the anti-christ, the Great White Throne and our rewards in heaven. Facilitated by Mike Lowe.

### **S.H.A.P.E. – Spiritual Gifts, Heart, Abilities, Personality, Experiences**

Designed to help you look more deeply at the unique way God has built you in hopes that you better understand where and how you can be involved in God's work in ways that are most effective and rewarding. Facilitated by Kim Morrison.
