

A Tribute to Calvary's Vacation Bible School Workers

**We don't get paid for Bible School
The hours we give are free,
But the change that's wrought in children's lives
Will pay off through eternity.**

**If just one little boy or girl
Should change his life or soul
It's worth more in the Master's eyes
Than quantities of gold.**

**The time we spend helping
His little ones to know
About how much he loves and cares
Will stay with them wherever they go.**

**No, we don't get paid for Bible School
In the riches this world can pay
But the blessings of Heaven will all be OURS
When we see His sweet face some glad day.**
